About Glendora Oaks Behavioral Health Hospital

Glendora Oaks Behavioral Health Hospital (Glen Oaks), established in 1958, is a not-for-profit, 21-bed behavioral health facility specializing in treating seniors aged 55 years and older suffering from mental health disorders. Glen Oaks' acute inpatient program provides 24/7 supervision and support in a safe, tranquil setting including plenty of natural lighting and anti-ligature upgrades to ensure patient safety. The staff at Glendora Oaks Behavioral Health Hospital provides a unique plan of care for each patient and works with patients and families to ensure a positive experience.

Our Services

Patients who are admitted at Glendora Oaks Behavioral Health Hospital will have access to innovative holistic and evidence-based modalities, including cognitive behavioral therapy (CBT), dialectical behavior therapy (DBT), mindfulness-based cognitive therapy, and physical therapy. This integrated approach offers a broad spectrum of therapeutic interventions that foster comprehensive healing of the mind, body, and spirit.

Our expertise in behavioral health allows us to provide the highest standard of treatment allowing recovery for the individual and their families. Our experienced, highly skilled behavioral health clinical teams are comprised of psychiatrists, physicians, nurses and social workers. Our team works together to offer state-of-the-art Geriatric Inpatient Acute Care Psychiatric Services such as:

- Schizophrenia
- Depression
- Self-Harm
- Bipolar Disorder
- Confusion
- New On-Set Psychosis

Admission

To be permitted admission, patients must meet the following criteria:

- Be 55 years or older
- Not require lines for treatment or survival
- Suffer from one of the disorders we treat
- Must be medically cleared by a hospital physician
